

## Student and Family Handbook Acknowledgement Form

Each year, The Knox School publishes the *Student and Family Handbook*, which contains the most current information about school policies and procedures. The Student and Family Handbook can be downloaded from the Admissions website on the “Information, Forms, and Guidelines” page. Please ensure that each student and family has reviewed the most current handbook, as policies and expectations may have changed from the previous year.

If you have questions about any of the school policies, please contact the main office of The Knox School at (631) 686-1600, and the Administrative Assistant will direct your call to the appropriate administrator.

Please complete the following form, acknowledging that you have reviewed the *Student and Family Handbook*. **Forms must be submitted at Student Orientation on September 9, 2020.**

I, \_\_\_\_\_ (*print student name*) acknowledge that I have read the *Student and Family Handbook*, and that I fully understand the most current Knox School policies and guidelines. I also understand that failure to comply with these policies and guidelines may result in disciplinary action.
