During the winter break students will be assigned two drawing assignments. These drawing assignments will continue to enhance the skills they have been developing over the last few weeks. The assignments will continue to build their drawing skills and prepare them for the next mediums.

When my students return to school they should have the painting supplies I requested on **1/11/2021**. The supplies list will be given to them before they leave for the break.

During the break I am requiring that my students check in three times. **December 8, 2020, December 22, 2020 and January 5, 2021 during the same class time and days they meet with me currently.** During our zoom sessions I will check their progress and to make sure they have ordered their painting supplies. I want my students to order their supplies before the end of November 2020 as to make sure they have what they need on 1/11/2021

**Drawing assignments are due January 7, 2021 NO EXCEPTIONS. Uploads must be submitted by 1/7/2021 by 2pm. If a student does not upload by the due date and time, the assignment will be a 0**

**(Of course I will accommodate if something should transpire that was out of the students control.)**
