

Winter Break Assignment-Honors Geometry

Below is a list of the work that should be completed over your break.

For the HW, all of the assignments are on the portal.

As you complete the HW assignments, please email them to me so I can correct them and enter your grade into the gradebook. Soon upon returning to classes in January, you will have an assessment on these topics. Feel free to email me with any questions. We can even set up a Zoom session if you'd like. Do not wait until the last week of break to start the assignments. I cannot guarantee I will be able to answer any questions within that time or grade all of the HW assignments before you are tested on the material.

All assignments will be from Barron's Geometry.
