

History 8 Summer Assignment 2021-2022 School Year

Directions: Complete the attached assignment.

Incoming 8th Graders: American History

Over the last two years, you have learned a lot about American History. Part of being an excellent student in history is being able to make observations and to draw conclusions. The following images are from the period in history leading up to the United States becoming an independent nation. Your summer assignment will require you to interpret each image and to complete the corresponding observation forms.
